

REGIONAL STANDARDS COMMITTEE

MINUTES

DATE: May 26, 2005

LOCATION: County Operations Center, Building 2 Director's Conference Room

1. Tim Stanton called the meeting to order.
2. March Meeting Minutes: A motion was made to approve the meeting minutes as noted. Motion was approved.
3. Submittal Log Status: No new submittals. No new submittals will be accepted for the 2006 publication. Sandy Brady discussed revisions to D-40 and D-41 to that the RSD's would match the new County Drainage Manual. These will be marked up and submitted to the Drainage Subcommittee for review.
4. Tim distributed the calendar and drawing status. The Water and Sewer drawings have been replaced on the drawing status list. Tim will bring forward the City of Chula Vista Retaining Wall standards for review. Discussion on the replaced Irrigation and Landscaping Drawings.
5. Earl Lokers was not present to report. Dino distributed 2004 and 2005 Greenbook Supplements for review.
6. Mark reported that the L-5 drawing is not ready to be reviewed and will be brought to the June 23 meeting for approval.
7. Report by Subcommittee Chairs:

Editorial: Tim reported as mentioned in item #4 above.

Traffic/Lighting/Electrical: Dino reported that Zubir is meeting with other agencies and beginning work on making the Traffic Drawings compatible with the MUTCD standards.

Structures: There was no one present to report. The City of Chula Vista has volunteered to send a representative to this subcommittee.

Drainage/NPDES: Debbie was not present to report.

Roads/Streets: Dennis was not present to report.

Wet Utilities: Jim reported that RSD's SP09 and WP09 have not been approved by the RSD committee. The WAS oversight committee meet last month and determined that they are not making any additional changes to the drawings.

Landscaping: Mark reported as mentioned in item #6 above.

8. New business items: No new business items.
9. Next RSC meeting is scheduled for June 23, 2005.
