8. New business items:

- a. For the next RSD publication, will there be a CD for sale? Including Electronic files for TC drawings?
- b. There are several drawings that require additional information to be provided by the design engineer. Should the new publication have highlighted notes on drawings to designate areas where additional information needs to be provided on plans? (i.e. length of curb ramp, wings, rip-rap, ect.)
- c. Discussion on curb ramp details, ADA Standards have some limitations on lengths of ramps. Should these limitations be added to the RSD drawings?

9. Next RSC meeting is scheduled for July 28, 2005.
