

REGIONAL STANDARDS COMMITTEE

MINUTES

DATE: December 18, 2003

LOCATION: County Operations Center, Building 5

1. Call to Order: Tim called the meeting to order.
2. Approval of the Minutes: A motion was made to approve the last meeting minutes. Motion seconded and approved.
3. Landscaping drawings submitted by Mark were tabled for the next meeting. Mark will review these drawings in view of decision by Tim that industry standard call outs shall be used for manufactured items. For example, dual units for 8" pipe shall be 200mm. Tim said that Editorial committee will revisit the hard/soft conversion matter and he will issue clarification for all subcommittee chairs.
4. Earl Lokers was not present to discuss Log of Changes under consideration by Greenbook Committee.

5. Report by Subcommittee Chairs:

Structures: Rhonda was not present to report progress.

Drainage/NPDES: Debbie was not present to report progress. Tim said that Debbie gave him a stack of drawings for making minor changes.

Roads/Streets: Dennis reported that the ADA/curb ramp issues were on back burner till City of San Diego's appeal against use of truncated dome was resolved. He said that his subcommittee was scheduled to meet on Jan 6 to review Roads/Streets drawings.

Wet Utilities: Jim was not present to report progress.

General Provisions: Dino was not present to report progress.
Traffic/Lighting/Electrical:

Landscaping: Mark reported as above under item 3.

6. No new business item was discussed. It was a short meeting.
7. Next RSC meeting was scheduled for January 22, 2004
